Newsletter May 2017

Early Summer Update on Events and Services

Following our Easter Celebrations we are now preparing for the summer months and hope that you can join us in our programme of services and events. This newsletter details two special activities taking place in May and June to support our "Make History" restoration appeal and lists services up to the end of July when Grittleton and Slaughterford join us for our Cluster Service.

Special thoughts go to all those with weddings and blessings at St Andrew's this year.

"Make History" Appeal and Project

We are in the final stages of preparation for this historic project at St Andrew's.

If we can reach the financial target for our ongoing "Make History" appeal, we are hoping to start work in September or October, once the busy summer months are over. Not only will this restoration give us the amenities we so badly need, but also and importantly it will reveal the significant heritage within the Knight's Chapel that has been hidden to the public for many years.
